

How do I check my business card's count meter ?

A message will pop up on apps when there are only 10pcs cards available. There are two ways to check counter meter after logged in 1goo.biz website. The meter shows available number of cards remaining.

1) At personal profile

Share a little biographical information to fill out your profile. This may be shown publicly.

New Password: If you would like to change the password type a new one. Otherwise leave this blank.
 Type your new password again.

Strength indicator: Hint: The password should be at least seven characters long. To make it stronger, use upper and lower case letters, numbers and symbols like ! * ? \$ % ^ & ;).
